Principal's Message

WELCOME TO OUR YOUNGEST STUDENTS

I would like to extend a warm welcome to all the Kindergarten students and their families. All students were very settled from their first day of school. Their Year 6 buddies have been introduced to them and they have been spending their playtime together. Thank you to Rebecca Keiller and Amy Bowen for hosting the Cheers and Tears welcome event at their house and to our Kindergarten teachers for their preparation of engaging activities. Due to the Best Start assessments being completed electronically, information from the assessments will be sent home shortly.

SWIMMING CARNIVAL

Of the students who attended the carnival there was a high level of participation and a display of trying their personal best. For those students who have trained for months or years, it was great to see your perfect swimming strokes. Our student leaders showed a high level of initiative by preparing placards and costumes and were able to ramp up enthusiasm throughout the morning. Thank you to the many parents and all of the teachers for their hard work in making the carnival run so smoothly in our three hour bracket. Mr Warren who was organiser extraordinaire will be informing our Zone swimming representatives of the next carnival on Monday 8 March followed by the Area carnival on Monday, 15 March. Part of our first assembly will be the presentation of the ribbons on Monday, 15 February from 2:20pm.

3-6 Summer Sport Reminder

SUMMER SPORT

PSSA trials for summer sport will be held on Friday 5 February and Friday 12 February. Our first round of competition will be held on Friday 19 February. Students in **Year 4, 5 and 6** will be able to trial for:

T-Ball – Girls – Mr Warren (coach)

Softball – Girls – Miss Panetta (coach)

Cricket – Boys – Mrs Stephens (coach)

In order to reach the selection criteria for these sports, students must attend at least one trial. If your child is going to be absent please notify the coach in writing as soon as possible. Please note that previous involvement in PSSA and participation in these sports outside of school will have no bearing on selection.

Coaches will be selecting teams based on the following criteria:

- Sportsmanship
- Cooperation, attitude and listening skills
- Skill level and ability
- Commitment to training sessions and the team

If your child is selected to represent our school at PSSA please be aware that there is a cost involved for transport and a strict uniform code. Protective gear needs to be provided by the students selected to play T-Ball or Softball.

Students who do not wish to participate in PSSA, or who are not selected to participate in PSSA, may choose to play tennis or be part of our home school program.

Good luck to all students during the trial sessions.

P&C News

What a great start we have had to 2021.

Thank you to all the families that have helped out over the holidays making our school look so inviting. They have been busy concreting, painting, gardening, cleaning, weeding, mowing lawns etc all to make our school beautiful for our children. Nigel our concreting master, has done a wonderful job with our sandpit, we so appreciate all the time and effort you have put in. Thank you also to Andre Leyton, Mike Keiller, Adam & Emma Burling, Mark Jones, Richard Webb, Anthony & Jeanette Baptista, Daniel & Claire Chisholm, Dean Scicluna, Melanie Scott and Family, Andrew Lovett, Ian Thompson and Ben Robinson for giving up your precious time to help out over the holidays. We have some wonderful plans for 2021 so stay tuned.

Welcome to all the new families that have joined our Belrose Family, we hope you will get involved in all that happens at our wonderful school. You are all most welcome to join our P&C meetings which are held on the second Tuesday of the month. Our first one is Tuesday 9 February at 7.15pm in the Staff Room in the Admin office. This will be an exciting meeting as we will be discussing the fabulous new playground we are doing, the disco we are holding in Term 1 and many other ideas for events and school beautification. Ideas are greatly appreciated. We hope to see many new faces on Tuesday.

NEW PLAYGROUND UPDATE

We are so excited to announce that we have been successful with our application to receive \$26,000 of funding from the NSW Government Community Building Partnership grant to put towards our new playground project! We have been waiting for this announcement to have a clear idea of our final project budget including P&C funding. Now that we have established this, we can move onto the next stage of reviewing quotes, deciding on the equipment and applying for approval through the Dept of Education. Many thanks to Mrs Zorian, Zoe H and Emma B for their support with the grant process. What a win for BPS!

EMERGENCY CONTACT INFORMATION

Next week we will be sending home the Emergency Contact Information recorded on our database. Please correct the information by crossing out any incorrect phone numbers, addresses etc, and update with correct information. All forms need to be signed and returned to the office as soon as possible with or without changes.

STUDENT HEALTH CARE PLANS AND STUDENT ASTHMA PLANS

Could all Health Care Plans and Student Asthma Plans that were sent home at the end of last year please be returned so we can update our records for 2021.

Please let us know if your child has asthma or any other health condition so the relevant paper work can be sent home.

This will need to be filled out and returned to the school office with all necessary attachments and medications as soon as possible.

2021 STATEMENT OF ACCOUNT—TERM 1

The Statement of Account for Term 1 will be emailed to all families next week. If you do not received your account or have any queries regarding your account please contact the office. Please ask to speak to Mrs Zorian if you have any questions or require assistance with your account. All conversations are confidential.

SCHOLASTIC BOOK CLUB—PARENT RUN

The school is participating in book club again this year. There are usually 2 issues per term and the catalogues will come home with your children. The Book Club LOOP platform for parents allows you to pay by credit card. Your child's order is submitted directly to school and the books will be delivered to class. You can place your child's order at scholastic.com.au/loop or by using the LOOP app, which can be downloaded from the App Store or Google Play. If you would like the order delivered to the office for you to collect instead of going to your child (books make great presents!) the simply mark the order 'GIFT ORDER' at the time (and if you forget just shoot me a FB message or email).

Each order earns 20% in school rewards that the teachers can spend on resources for the classroom and the children. Last year we made over \$800 from your orders.

Please give me till after this weekend before placing your order as I have to set up the 2021 classes. Orders for Issue 1 close FRIDAY 19th FEB
