KINDERGARTEN 2022 SCHOOL TOUR

AND INFORMATION MORNING

THURSDAY 22 April 2021 9.30-11.00am

Japanese News

Hinamatsuri, also called Doll's Day or Girls' Day, is a special day in Japan which is celebrated on 3 March of each year. In Japanese lessons we learnt about the custom of displaying very special dolls in your house and the tradition of making a straw doll and boat which you float down a river.

Kindergarten, along with some very helpful Year 2 students, made an origami doll which is proudly displayed in the Japanese room.

ZONE SWIMMING

Congratulations to all students who attended the Zone Swimming Carnival on Monday 8 March 2021. The students performed well in the pool and demonstrated fantastic sportsmanship throughout the day.

We would like to acknowledge the outstanding results of those students who made it through to Area Swimming. Emma C, Lucy C, Ben G and the Senior Girls' Relay Team (Aurelia, Lily C, Sofia, Lucy C). We wish them the very best for Monday's Area Carnival.

A special congratulations to Emma C who earned the title of Junior Girl Age Champion for the Zone Carnival.

Belrose also scored highly in the points tally, coming third overall.

All participants in the Area Carnival can purchase an area swimming cap from the Allambie Heights team manager on the day.

Belrose V Allambie 5/3/21 PSSA Reports

Junior Cricket

The Junior team lost. The score was 3/31 Belrose and Allambie 5/38. The player of the match was Jack B. We got five of Allambie's players out and they got three of us out. These people got others out; George W, Jack B, Jack S, Billy F. Billy bowled one person out and he caught someone out.

Jack S

Senior Cricket

The score was Belrose 2/10 and Allambie 0/15. We lost. Everyone tried their best and we were playing nice and fair. The player of the week was Angus because he didn't get angry when he bowled and he didn't give up.

Charlie S

Softball A

The score was 10-1 to Belrose. Yay! Everyone played really well. The player of the match goes to Lily because she did an amazing catch at the start and for great batting.

Lucy

Softball B

We had a really good game. The score was 3 to 4, we sadly lost by one run. I think we played very well. The player of the match was Gemma because she hit the ball and got home fast.

Aurelia

T Ball A

The A team did pretty well for their second time on the field but we didn't communicate properly with each other. Isla supported everyone to try and keep the spirits of friends high. The final score was 25/9, we lost but we had a good game. The player of the game is Isla and a special shout-out to Mila for being an amazing sport. I think these people deserve this.

Georgie

CROSS COUNTRY

Our school cross country will be held on Thursday 25 March from 9:15am with the walking of the track. Please let the office know if you would like to assist with the running of the carnival. All help is greatly appreciated. The carnival will go ahead unless it is actually raining, therefore your child could get muddy. Please be aware that the children are expected to run in similar conditions at Zone and Area level. Please focus on the number of bands with your child, rather than the number of laps to complete as this does cause confusion over when to finish. The children have been informed.

Age Groups:

- 8 – 9 years: 2km (3 laps) 2 bands
- 10 years: 2km (3 laps) 2 bands
- 11 years: 3km (4 laps) 3 bands
- 12 – 13 years: 3 km (4 laps) 3 bands

P & C News

What a great meeting we had this week. It was so lovely to see so many new faces at our Tuesday night meeting. These meetings are a great place to ask any questions or bring any concerns you have which is one of the reasons we would love you to come.

I would like to share some things about our school:

COVID took our beautiful caring community and turned it upside down. The fact that parents were no longer allowed on school grounds made it near impossible for us to communicate with each other and socialise.

2021 is a new year and we are bringing that wonderful parent community alive again by having many events so that we can spend time together. We have so many exciting things planned for the year such as Man night, Ladies night, hopefully a ball in October, cake stalls/ BBQ at the election, Gingerbread night, working bees etc. We hope you will want to get involved.

At this week's meeting, a discussion was undertaken about the size of our school.

We have 8 primary schools within a 7 minute radius of our school to choose from and most of them have been affected in some way during this time. We are not the smallest school in the area and the P&C are doing everything possible to encourage growth at our school. But we can't do it alone. If you have any queries or questions please bring them to Mrs Zorian or to a P&C meeting for general business as nothing is too trivial.

Firstly, the catchment for the area may be the largest on the Northern Beaches through to St Ives and Terrey Hills but much of it is made up of our beautiful Garigal National Park with our neighbourhoods free from high rise apartments and dual occupancies. Apart from other primary schools taking enrolments from our catchment area, one of the local independent schools is only taking an intake in year 5 instead of year 7.

It is not just our school that numbers have been reduced with many schools across the Northern Beaches having a drop.

I really want you all to know how lucky we are at Belrose.

We have a wonderful staff at our school that are leading the way in their stage.

We have so many things on offer for our children that in a bigger school they may not get to experience like being apart of a PSSA team, representing our school at the dance festival, chess club, coding club, Maths Olympiad, Garden club, an awesome band and choir program, project-based learning in which the Mayor always comes and the list goes on. Our wonderful dedicated teachers and Principal make all of these activities possible.

We have outstanding literacy and numeracy programs with learning support and high potential gifted education programs, beautiful spacious grounds, air conditioned classrooms and lots of technology, all making our children's lives richer for being a part of Belrose.

Mrs Zorian and the staff are always making decisions with the best interests of each and every child. Your child is certainly known, valued and cared for.

If you wish to reach me please call me on 0425 304 235.

Hopefully COVID is behind us and it's time to have some fun.

The disco is a little over a week away so dust off your dancing shoes get your best clothes on and get ready to party.

Tickets are available on Flexi schools.

We have a fantastic range of glow products which can be brought on the night as well as on Flexi schools.

Thank you to all the volunteers. An email will be sent on Friday to confirm your roles.

Gelato Day is coming up on Tuesday 23rd of March at recess.

Gelato day should have gone live now on Flexi schools so you can purchase your gelato via Flexi schools otherwise put \$4 in your child's bag on the day.

The Easter Raffle is looking amazing with tickets purchased from the office from Monday.

The basket is full of Easter eggs and craft, bowling and movie tickets and toys.

Lots of entertainment for the school holidays.

Tickets are \$5 each or 3 for \$10.

I look forward to seeing you all at an event soon.
