## Principal's Message

### WHAT A PERFORMANCE!

The K-2 Musical Production was spectacular with the students' performances so entertaining. Thank you to Miss Whittard for her engaging script, to our soloists for their fine delivery of their speaking parts as well as the creative and entertaining class items. Thank you to all of the teachers for their creative input and patience during rehearsals and to all of the parents for being part of our audience. Thank you to our past parents, Martin and Janice and their family for their time and expertise with filming our show for others to view.

### PERFORMING ARTS BAND PROGRAM SHINES

Congratulations to our Performance Band members for their continued commitment, and to their outstanding performances at the Chatswood Concourse on Sunday. Firstly, they looked very smart in their Belrose uniform and then the sound of the band was full of depth, taking advantage of the hall's outstanding acoustics. Thank you to all of the students involved as well as their conductor, Mrs Anderson.

## MORNING TIMES FOR SCHOOL

Although we have many before school activities, the teachers are on playground duty from 8:30am. Students are expected to be dropped off at school following this time. Please wait with your child until the 8:30am bell is heard.

## QUEEN'S MEMORIAL PUBLIC HOLIDAY - THURSDAY, 22 SEPTEMBER, 2022

As informed by the Prime Minister, due to the Queen's Memorial Public Holiday, the school and Primary OSHCare will not be open that day. This will be our last newsletter for the term. Wishing you all a safe and well rested break if having time from work.

## BUSH TO BOWL POSTPONED

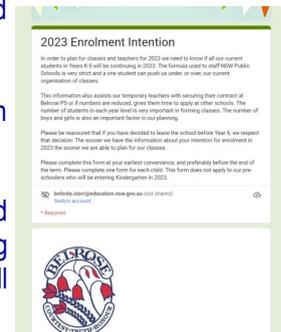

Due to staff sickness in the morning, the outstanding activity of the making of Bliss Balls has been postponed until Term 4 when the company can secure a date.

## ENROLMENT INTENTIONS

We only require 25 more responses so thank you for your assistance. In order to plan for classes and teachers for 2023 we need to know if all of our 2022 current students in Years **K-5** will be continuing in 2023. Please complete this 2 minute form for **each child** currently at Belrose PS. The survey will be open until early next term. **CLICK** on the image to start the survey.

## SPORTS PHOTOS

These photographs will be taken on the first Wednesday of Term 4.

## COVID UPDATE

Last week, you may have heard that National Cabinet announced that the isolation period for positive COVID-19 cases would be reduced from 7 days to 5 days from Friday 9 September with the following conditions:

- This would apply to people with no symptoms at 5 days.
- 7 days isolation would remain for workers in high-risk settings including aged care, disability care and those providing care in the home.

In line with the National Cabinet announcement, the following requirements will apply at our school.

All staff, students and visitors who have tested positive to COVID-19 must:

- complete 5 days of isolation from the date they tested positive
- be symptom-free before returning to school, if symptoms remain after Day 5 they must continue following NSW Health guidelines to self-isolate and undertake a rapid antigen test
- complete a rapid antigen test (RAT) and return a negative result before attending school on Days 6 and 7 after testing positive to COVID-19, and
- wear a mask on Days 6 and 7 when attending school (for all staff and those students 12 years and older).

You may use the RAT kits supplied by our school for the purpose of testing before attending school on Days 6 and 7. If you require additional RAT kits for this purpose please get in touch with our front office who can provide or organise additional kits.

All staff, students and visitors who test positive to COVID-19 should continue to follow the NSW Health guidelines in addition to the department's Response protocols and Advice for families.

Finally, please be reminded that anyone displaying even the mildest of symptoms should stay at home, even if they return a negative RAT or PCR test. By staying home if unwell you'll help keep our school community safe and help us prioritise face-to-face learning throughout the rest of this term and into Term 4.

Thank you for your ongoing support and cooperation.

## PARENT SURVEY

### THE 'TELL THEM FROM ME' PARTNERS IN LEARNING FEEDBACK SURVEY—REPEAT

We are requesting that K-6 parents participate in a 15 minute confidential survey which asks questions about different factors that are known to impact on student wellbeing and engagement. Running this survey will help our school understand parents' and carers' perspectives on their child's experience. These include communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements and assist us with future planning.

Thank you for your time.

# SUSTAINABILITY

Thankyou to our wonderful families doing our Return and Earn each week (The Chisholms, The Potts, The Elliotts and The Thompsons) We spent some of this hard-earned cash to buy lots of new seedlings for our vegetable garden. We planted passionfruit, capsicum, tomatoes, beans, carrots, basil and sunflowers. We can't wait to watch these grow over the coming months. If you are around during the holidays please feel free to give the plants a water and the gardens a weed:-)

Kindergarten was in charge of composting last week and all students were enthusiastic learners & passionate composters! Thank you, Kindergarten and Miss Blom, for your wonderful efforts.

At Belrose Public School we continue to sort our waste each week and recycle into 5 different bins. We recycle soft plastics (Thank you to the Pointon family taking this to Woolworths each week), paper, co-mingling and all food. We aim to divert as much rubbish from landfill as we can. Next term we will be conducting some big waste audits where we go through all our landfill bins and students identify what else should have been recycled.

Each child will be given an ice block at the end of the run.

### COOKIE FUNDRAISER

We have some house keeping to do, we still have some outstanding money from cookies that have been sold.

Tuesday, 29 November - Gingerbread night at school

Friday, 2 December - Outdoor Movie Cinema at school

### CANTEEN NEWS

If you are looking for a part time job next year and love working with children, we have a paid 3 day a week Canteen Manager role waiting for you. Lee has decided it's time to hang up her apron and become a full time grandma. She has been a wonderful Canteen Manager and we will really miss her. Details will follow soon of the job role but please start thinking whether you know someone that would suit this position.

## CANTEEN CUTLERY CHANGE

We have made the decision to change to wooden utensils as our metal spoons have slowly been lost and they are expensive to replace.

Alternatively please send your child with their own reusable cutlery pack to bring home, like the above, which are readily available from major supermarkets. No knives please!
