- 10.5 Alison provided costings for a Ladies Night Pinot and Picasso from Little Lane Workshops and a local Newport artist, and it was proposed it might be too expensive. Marrissa R had volunteered a connection to provide reasonably priced beverages to keep costs down. We will revisit this later. In the meantime, we will brainstorm other more cost-effective ideas for a possible ladies night.
- 10.6 Susie T to lock in Motiv8 sport inflatables in place of the Colour run this year. Susie to liaise with Belinda regarding a suitable date and time. The decision was made to trial Motiv8 sports inflatables to try something new, and the issue of sustainability arose from the prizes that the colour run provides and the plastic the glasses come in.
